Ready In: 8 Hours and 30 Minutes | **Serves:** 8

Submitted by: Kimber

"After a wild night marinating in a slightly sweet soy sauce and lemon-lime mixture, sirloin steak chunks are skewered with veggies and grilled. You'll want to make these again and again."

Ingredients

1/4 cup soy sauce
3 tablespoons light brown sugar
3 tablespoons distilled white vinegar
1/2 teaspoon garlic powder
1/2 teaspoon seasoned salt
1/2 teaspoon garlic pepper seasoning
4 fluid ounces lemon-lime flavored carbonated beverage
2 pounds beef sirloin steak, cut into 1 1/2 inch cubes
2 green bell peppers, cut into 2 inch pieces
skewers
1/2 pound fresh mushrooms, stems removed
1 pint cherry tomatoes
1 fresh pineapple - peeled, cored, and cubed

Directions

In a medium bowl, mix soy sauce, light brown sugar, distilled white vinegar, garlic powder, seasoned salt, garlic pepper seasoning, and lemon-lime flavored carbonated beverage. Reserve about 1/2 cup of this marinade for basting. Place steak in a large resealable plastic bag. Cover with the remaining marinade, and seal. Refrigerate for 8 hours, or overnight.

Bring a saucepan of water to a boil. Add green peppers, and cook for 1 minute, just to blanch. Drain, and set aside.

Preheat grill for high heat. Thread steak, green peppers, mushrooms, tomatoes, and pineapple onto skewers in an alternating fashion. Discard marinade and the bag.

Lightly oil the grill grate. Cook kabobs on the prepared grill for 10 minutes, or to desired doneness. Baste frequently with reserved marinade during the last 5 minutes of cooking.

Barbecue Ribs

Prep Time: 15 Minutes | **Cook Time:** 2 Hours
Ready In: 3 Hours and 15 Minutes | **Serves:** 8

Submitted by: Kristy

"This recipe is easier than it sounds. I usually cook the ribs the day before and grill them for a quick dinner the next night. FYI: the sauce is much better after it is cooked. It is not a dipping sauce."

Ingredients

4 pounds pork spareribs
1 cup brown sugar
1/4 cup ketchup
1/4 cup soy sauce
1/4 cup Worcestershire sauce
1/4 cup rum
1/2 cup chile sauce
2 cloves garlic, crushed
1 teaspoon dry mustard
1 dash ground black pepper

Directions

Preheat oven to 350 degrees F (175 degrees C). Cut spareribs into serving size portions, wrap in double thickness of foil, and bake for 1 1/2 hours. Unwrap, and drain drippings. (I usually freeze the drippings to use later in soups.) Place ribs in a large roasting pan.

In a bowl, mix together brown sugar, ketchup, soy sauce, Worcestershire sauce, rum, chile sauce, garlic, mustard, and pepper. Coat ribs with sauce and marinate at room temperature for 1 hour, or refrigerate overnight.

Preheat grill for medium heat. Position grate 4 inches above heat source.

Brush grill grate with oil. Place ribs on grill, and cook for 30 minutes, basting with marinade.

Chile Garlic BBQ Salmon

Prep Time: 15 Minutes | **Cook Time:** 30 Minutes
Ready In: 45 Minutes | **Serves:** 6

Submitted by: Jayda

"Salmon with a spicy Asian-style twist."

Ingredients

3 pounds whole salmon, cleaned
1/4 cup soy sauce
1 tablespoon chile sauce
1 tablespoon chopped fresh ginger root
1 clove garlic, chopped
1 lime, juiced
1 lime, zested
1 tablespoon brown sugar
3 green onions, chopped

Directions

Prepare outdoor grill for high heat.

Trim the tail and fins off of the salmon. Make several shallow cuts across the salmon's skin. Place salmon on 3 large, slightly overlapping sheets of aluminum foil.

In a bowl, stir together soy sauce, chile sauce, ginger, and garlic. Mix in lime juice, lime zest, and brown sugar. Spoon sauce over the salmon.

Fold the foil over the salmon, and crimp the edges to seal.

If using hot coals, move them to one side of the grill. Place the fish on the side of the grill that does not have coals directly underneath it, and close the lid. If using a gas grill, place the fish on one side, and turn off the flames directly underneath it; close the lid. Cook for 25 to 30 minutes. Remove to a serving platter, and pour any juices that may have collected in the foil over the top of the fish. Sprinkle with green onions.

Hot Tips for Cool Picnics

Summer Picnics page 11

Essential Gear

Like any outdoor sport, picnicking requires the right equipment. Pack a waterproof picnic blanket, corkscrew, and utility knife. Include garbage bags for easy cleanup. *Hint: separate the food waste from the recyclables*

Pack plates, cups, eating and serving utensils, and wet-naps for sticky fingers. *Hint: look for eco-friendly picnic ware in paper, bamboo, and biodegradable plastic.*

If you're grilling over coals, bring briquettes, tongs, grill brush, and matches. *Hint: use an inexpensive chimney charcoal starter instead of charcoal lighter fluid to get your coals going.*

Depending on your destination, bring kites, balls and gloves, shovels and buckets, etc. *Hint: don't skimp on the sunscreen, even if the day is cloudy.*

Perfect Packing

A closed cooler keeps food colder for longer. *Hint: pack desserts on the bottom and main dishes on top to avoid having to open up and dig around.*

Salads, sandwiches, and desserts: cool completely before wrapping to go. *Hint: for green salads, keep the dressing separate until you're ready to toss and serve.*

Raw meat and fish: store in a double layer of resealable plastic bags packed with plenty of ice. *Hint: if you can, devote a smaller cooler exclusively to the meats, but load it as fully as possible to keep everything well-chilled.*

Beverages: chill everything ahead of time. *Hint: fill bags with frozen cubes of lemonade or juice to cool tea and punch instead of using regular ice; your drinks won't get watered down as the ice melts.*
